Guest: Guy Hobbs, Chairman Nevada Youth Soccer Association

TOPICS DISCUSSED:

Guy spoke to us at length about the discussions he has had with the two leagues and their discontent with our moving forward producing the Elite Soccer League of Nevada. Guy will be drafting a briefing document to present to the State Board; and if necessary, he will have a board meeting prior to the AGM meeting June 29th.

There were various concerns ourselves, but it seems that a possible compromise for now would require three things if we were to continue to play in their leagues:

1. We would play in their U5-U8, and not start our league play until age U-9.
2. All registration will be done through our team pages and web-site at got.soccer
3. We have the ability to have a short winter season for the "off" season of sport.

Also discussed was the issue of a single gender Club, and their ability to retain Club status per our by-laws. (ie. Ballistic)

We will continue to discuss these issues at our next meeting on Friday, June 6th at 9:00am.
